Work Experience

RR Consulting and software AB – Frontend Developer

Aug 2025 - current

Hägersten, Stockholm County, Sweden

- Contributed to developing client-facing web applications using Angular, TypeScript, and REST APIs.
- Collaborated in an agile team to implement responsive UI components and improve accessibility and performance.
- Gained experience working with Git, Scrum, and code reviews.

Lämneå Bruk AB – Frontend Developer

Apr 2025 - Jun 2025

Ljusfallshammar, Östergötland County, Sweden

- Improving internal systems by modernizing UI components and optimizing data visualization features using JavaScript, Angular, and CSS.
- Learned how front-end technologies can streamline industrial workflows and support digital transformation.

Skobes Bil AB – Cashier

Mar 2023 - current

Motala, Östergötland County, Sweden

- Work as a cashier on a seasonal basis. Responsible for customer reception and payment handling at the store's front desk. Greet customers dropping off their cars, schedule appointments, and manage cash and invoices. Experienced in working independently in a fast-paced environment while providing professional and friendly service.

Norra Skolan – Student Assistant

Aug 2022 - Feb 2023

Motala, Östergötland County, Sweden

- Worked as a teacher's assistant, supporting students in their daily school activities and learning.
